IN RE:	Application of TresCom U.S.A., Inc. for a)	ORDER CANCELLING
	Certificate of Public Convenience and)	CERTIFICATE
	Necessity to Provide Resold)	
	Telecommunications Services within the State)	
	of South Carolina.)	

This matter comes before the Public Service Commission of South Carolina ("Commission") on the request of TresCom U.S.A., Inc. ("TresCom" or the "Company") to cancel its Certificate of Public Convenience and Necessity to provide resold telecommunications in the State of South Carolina. A review of the docket file reveals that the Commission granted TresCom authority to operate as a reseller of intrastate interexchange telecommunications services within the State of South Carolina by Order No. 96-592, dated August 27, 1996.

TresCom, by letter dated August 16, 2003 from the Deputy General Counsel of TresCom's parent company, Primus Telecommunications Group, Inc., advised the Commission that TresCom was requesting cancellation of its Certificate to operate as a telecommunications provider in the State of South Carolina. According to TresCom, the Company ceased operations as a telecommunications provider in South Carolina in January, 1999. Moreover, according to TresCom's request, the Company is current with all reports and fees.

As TresCom is not providing the services for which the Company's Certificate of Public Convenience and Necessity was granted, the Commission finds and concludes that TresCom's Certificate of Public Convenience and Necessity to operate as a reseller of intrastate interexchange telecommunications services within the State of South Carolina should be cancelled.

IT IS THEREFORE ORDERED THAT:

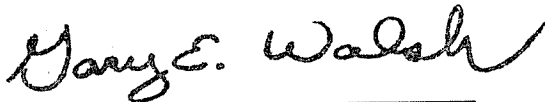

1. The Certificate of Public Convenience and Necessity to provide resold intrastate interexchange telecommunications services within the State of South Carolina authorized by Order No. 96-592, dated August 27, 1996, issued in the instant docket to TresCom U.S.A., Inc. is hereby cancelled.

2. This Order shall remain in full force and effect until further Order of the Commission.
